

Resultado reto 7 de HackerRank con JavaScript

The screenshot displays the results of a challenge on HackerRank. On the left, a vertical list of test cases is shown, each with a green checkmark and a lock icon, indicating they are all passed. The main area on the right features a 'Compiler Message' section with a 'Success' notification. Below this, a 'Hidden Test Case' section is visible, which is currently locked and prompts the user to 'Unlock this testcase for 5 hackos.' with an 'Unlock' button.
