

Resultado reto 7 de HackerRank con Python3

The screenshot shows the results of a challenge on HackerRank. On the left, a vertical list of test cases is shown, each with a green checkmark and a lock icon. The first test case, 'Test case 0', is highlighted in green. The main area on the right has a dark background. At the top, a 'Compiler Message' box displays 'Success'. Below this, the text 'Hidden Test Case' is shown with a lock icon, followed by the instruction 'Unlock this testcase for 5 hackos.' and an 'Unlock' button.
