

Resultado reto día 3 HackerRank con python3

The screenshot shows the results of a challenge on HackerRank. On the left, a sidebar lists seven test cases, all of which are marked as passed with a green checkmark. The main area displays the details for 'Test case 0', which is currently selected. It shows a 'Compiler Message' of 'Success'. Below this, the 'Input (stdin)' is shown as '3', and the 'Expected Output' is 'Weird'. Both the input and output sections have a 'Download' link next to them. The interface has a dark theme.
